## Description

Cholesteril New Generation is a unique synergistic combination of high-quality amla and three exceptional plant extracts including a Full-Spectrum extract of Lingzhi mushroom (reishi). A Full-Spectrum extract contains the bioactive substances from the complete life cycle of the mushroom. This varied mixture provides full support.

°Lingzhi mushroom (reishi) contributes to the maintenance of normal cholesterol levels in the blood.

## Daily intake

1 to 2 capsules daily.

Do not exceed the daily recommended dose. Cholesteril New Generation is a nutritional supplement and should not replace a varied, balanced diet and a healthy lifestyle. Store in a cool and dry place. Keep out of the reach of children. Do not use during pregnancy.

## Composition

### Ingredients per capsule

Amla (Phyllanthus emblica L.) fruit extract

500 mg

standardized at ≥35% polyphenols, ≥7% triterpenoids, ≥5% alpha-linolenic acid (ALA)
