Helps support digestion and the maintenance of normal (gut) mucous membranes. .

## Description

Mucoperm Apple+ is a dietary supplement with a sophisticated formula of high-quality vitamins, minerals, plant extracts and specific nutrients to support digestion (1) , natural resistance (3) and the maintenance of normal mucous membranes (2) . As a substance, an apple extract is used as a carrier to replace the dextrose in Mucoperm.

(1) Turmeric promotes normal digestion;

(2) Vitamin A also supports the maintenance of normal mucous membranes such as in the gut, lungs, nose, eyes and the female reproduction system;

(3) Mucoperm also contains Goldenseal root, selenium, zinc and a variety of vitamins (A, B6, B9, B12, C and D) as well as turmeric to support the normal activity of the immune system.

### INTAKE

It is best to take it before your meal, dissolved in liquid or food. Build up the dose gradually from 1 to a max. 3 sachets a day.

Recommended use during the 1st week: 1 sachet/day, 2nd week: 2 sachets/day. If required, thereafter up to a max. of 3 sachets/day.

### EXTRA INFORMATION

The active ingredients of Mucoperm are the same as those for Mucoperm Apple+. Only the substance used as a carrier is different (dextrose versus dry extract from organic apple powder). The dry extract from organic apple powder as a substance used as a carrier for the active ingredients is meant for those who regularly avoid sugars for personal or medical reasons.

### PRECAUTION

Not suitable for people with birch pollen allergy due to the possibility of birch pollen/apple cross-allergy.

### STATUTORY MANDATORY SPECIFICATION ON PACKAGING

Consult your doctor or pharmacist when using anticoagulants simultaneously” when using Curcuma longa.

## Composition

Active ingredients:

Magnesium (bisglycinate)	250.65 mg
Zinc (bisglycinate)	3.42 mg
